Please bring this form with you at the time of your specimen collection. Remember the lab will need to see picture identification. Make sure the collection site gives you your copy of the request/consent form as you will need to give a copy to the Union or your Employer within 24 hours of notification to test. **Once you have checked in you must stay to complete the process or it will be a refusal to test. Be prepared to complete the process in three hours or less.**

**IMPORTANT: Are you on medications that may make your test positive?**

You can speed the verification process if you take the following optional steps.

1) **Write down your daytime contact phone number.**

2) **Write down your daytime contact phone number.**

You can keep your medications on file to make it easier. Call the Trust Office or visit the website to find out how!
